<i>Unit</i>	<i>Citation</i>
114th Quartermaster Graves Registration Company	REPUBLIC OF KOREA PRESIDENTIAL UNIT CITATION awarded by citation dated 1 August 1952, by Syngman Rhee, President of the Republic of Korea, for outstanding and superior performance of duty during the period 20 January 1951 to 1 August 1952, inclusive, with citation as follows: This unit arrived in Pusan, Korea, 20 January 1951, with the mission of constructing a United Nations Military Cemetery. As a result of careful devotion to duty and tireless efforts of the men of the 114th Quartermaster Graves Registration Company, the dead of United Nations Forces were interred in suitable sites in accordance with the customs of the various member nations. When it was decided to establish one central United Nations Cemetery to accommodate all interments in Korea, the task of preparing and maintaining this cemetery was given to the 114th Quartermaster Graves Registration Company. In an extremely short period of time, while still remaining operational, the company transformed a bleak hill top into a dignified and beautiful cemetery, in keeping with the reverent spirit which the United Nations Forces regard their honoured dead. This organization is still maintaining the proper identification of the United Nations Military dead. This citation carries with it the right to wear the Presidential Unit Citation Ribbon by each individual member of the 114th Quartermaster Graves Registration Company who served in Korea during the stated period.
